STAT

[Redacted]
It is a pleasure to congratulate you and your associates as the Foreign Broadcast Information Service celebrates its 30th year as our Government's "news" agency.

FBIS provides an invaluable and essential service. Your continuing alertness and helpfulness and authoritative day-by-day reporting of international developments are much appreciated. My colleagues both at home and in our Embassies and Missions abroad join me in saluting you on this proud occasion.

Sincerely,

A handwritten signature in black ink, reading "William P. Rogers".
William P. Rogers
